# Fine Antique Furniture

Do you wish your furniture a duplicate of what one may see in a thousand homes in your City, or do you wish fine old pieces, unlike any other you ever saw, pieces of solid Rosewood, Spanish mahogany, or walnut, beautifully carved, with the graceful lines of the Louis XV. period; or of the more simple Colonial design? These cost no more than new mahogany, and have that subtle air of distinction which only the old models possess, coming as they do from homes of refinement:

## Preface

THE Ninth edition of THE BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts. Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated, and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make 'THE BLUE BOOK' as nearly perfect as it is possible to make such a volume.

We do not claim THE BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about four thousand names of the more prominent householders of Toronto, Hamilton and London, and numerous smaller towns, published in the most convenient form for reference by our lady patrons.

The title "The Blue Book" is given the work because of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book—a book containing a list of fashionable addresses."

The data for this work have not been compiled from circulars or from other directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names.

## WE KNOW HOW

In the laundering of Table Linen few laundries have been able to come up to the high standard demanded by the modern housewife.

Five o'clock teas, suppers, dinners and evening parties have made the laundering of table covers a matter of no little concern, since nothing contributes more to the appearance and enjoyment of such festive gatherings as pure white, scrupulously clean table linen.

We've made this department in our laundry one of very special attention. Recent improvements make it possible for us now to turn out covers and napkins in such beautiful style that they look exactly the same as when new. We give them the velvet finish which are ear marks of good taste. You'll appreciate our service in this respect, and we solicit a trial order. You are especially invited to inspect our new plant.

## Elegant Gowns Preserved

As a rule, the most elegant gowns have the shortest lives. But dusty floors and muddy streets present few terrors to the woman who knows of our establishment and understands its possibilities. Whether the soiled garment be a ball gown or a walking suit, a careful cleaning and pressing is almost sure to remove all traces of wear, and restore the original freshness. Everything from the daintest lace to the heaviest portieres is successfully cleaned or dyed here.

## The Ideal in Hair Goods

We ask your patronage on the sole grounds of reliable goods and honest values. It is our policy to use only the very highest grade of hair, and to spend on it the full time necessary to manufacture it in proper style. Thus our goods are ideal—you can absolutely depend on their reliability.

Our Men's Toupee is the strongest made Toupee in the world. If there was anything better we would have it. We guarantee a perfect fit.

Ladies will find our stock of all kinds of hair goods particularly attractive just now.

We hold the sole Canadian Agency for the Nestle Permanent Wave, the process by which a lady's hair is waved and stays waved for from six to twelve months. Call and get full particulars. We know you will be interested.
